REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens:

Again we print in the town report a budget for the coming year together with the current year's budget for comparison. Taxpayers will note that this budget calls for a school tax of \$900 less than was raised last March.

In September Mr. Herbert came to the Putney Hill School replacing Mrs. Goodwin, who went to teach the Flaghole School in Andover, where Mr. Herbert had been teaching for two years. This exchange was made to the financial advantage of both teachers.

Both schools are being conducted well and with practically no friction.

The attendance last year was good. Tardiness still seems to be more frequent than necessary, Putney Hill having a somewhat better record than Corser Hill. We are glad to note a decided increase in the number of visitors.

The School Nurse reported four children underweight and three with defective vision. The two found with deformity were receiving treatment. The teeth of twenty-three children, found defective, were corrected at a Dental Clinic held in Warner. The Audiometer was used at both schools to test hearing. No defects found.

Interest in Music is good and new music books are just being introduced.

A new Septic Toilet has been installed in each school. For a long time these schools have been too large to be equipped with only one toilet for the use of both boys and girls.

Allow me to express my personal sense of loss in the death of Mr. John C. Fairbanks, member of the School Board and Truant Officer.

Respectfully,

GEORGE W. SUMNER.

February 8, 1937.
